

Program Extension Cost Estimates 2022-2023

Students may reference the chart below for cost estimates for the upcoming academic year. These figures include estimates for tuition, fees, health insurance and living expenses for the time period listed at the top of the chart.

If you have dependents (spouse and/or children) you will have to add dependent expenses to the total listed below in the amount of \$800/month for the first dependent and an additional \$400/month for each additional dependent.

Please note the amounts listed below are **estimated** total expenses for the purpose of extending the Form I-20 or DS-2019.
