Step 5: Put your address in the proper format or the SEVIS system will reject it. The address must contain the Street number, street name, and room or apartment number in Line 1. Please leave line 2 blank. If you live on-campus, you can find the full street addresses for all residence halls and on-campus apartment buildings here.

Phone Number Updates

Step 1: Select ‘Contact Details’ from the menu on the left-hand side of the Personal Information Tile. You can either edit an existing phone number or click the ‘Add a Phone Number’ button at the bottom. You must check the ‘Preferred’ button to the side of the phone number that you want reported to SEVIS. Only the Preferred Phone number will be reported to SEVIS.
